Declaration of Originality

Subject: Project in Computer Science for Engineers (WS 2020/2021)

We

Name 1: Joshua Hertel
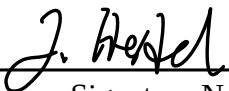

Name 2: Michael Schwenkschuster

Name 3: Tan Jia Tian

affirm that

- we wrote this lab report by ourselves as a team;
- we all were involved to an approximately similar extend in the lab work;
- we as authors all know and agree about the content of this submission;
- we did not use other than the denoted sources and aids;
- we have identified all textual and analogous sites for the report.

Signing this declaration means that you are not allowed to plagiarize, nor identify a student as co-author, if he/she did not participate actively in carrying out the lab experiment and writing the report.
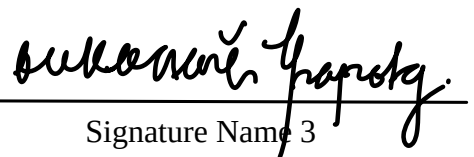

Doing so, is a serious scientific misconduct and will lead to the fact that the whole team will not pass the lab.
